

Wednesday April 9, 6pm Pa'ia Community Center
Testify at the County Council's Budget Hearing

Tell them:

Please amend the current 2013-2014 budget to include the purchase of 4 acres of land in Maui Business Park for a new County Service Center and accept the donation of 35.5 acres of land adjacent to Baldwin Beach park to expand the park, so the deal doesn't disappear.

Add your own reasons why we need to expand Baldwin beach park and connect it with Paia Bay Park, like it says in the Paia-Haiku Community Plan.

And get a free bumper sticker
